NINETEEN HUNDRED TWENTY-SIX

Volume One

The Year Book of
THE MARION HIGH SCHOOL
MARION, N. C.

PUBLISHED BY THE SENIOR CLASS

THE HILL

*I must go up on the hill to pray,
Where the wind is clean and strong;
I'm tired of woe in the valley below,
And quarrels all day long.*

*The valley is a pleasant place—
I'll come back by and by—
But! I must away 'ere the close of day
To seek my God in the sky.*

*There up on the hill where all is still,
I'll strive to love again;
Then I'll return to the valley and learn
To give that love to men.*

—Selected.

Foreword

In presenting our first volume of THE HIGHLANDER, the Class of '26 offers no apologies for the contents of the book; it is an inside picture of High School life as it existed in 1925-26.

The Editors wish to give the students a book that will serve as a keepsake for many years, and we present THE HIGHLANDER as a product of our labors.

ately dedicate this first volume of
THE HIGHLANDER.*

JESSIE JUANITA BOWMAN

*A pal, a friend, a scholar, too,
Loyal, honest, and always true,
There's nothing she wouldn't do for you;
Her friendship is solid through and through.*

Joan of Arc Literary Society, '23, '24, '25;
French Club, '26.

KATHERINE MAE BOST

*Katherine's proud of her flaxy curls
And smiles with pity on straight-haired girls.
To be like Mary Pickford is her goal,
She's working for it heart and soul.
But we don't mind that a mite,
Because we know her heart's all right.*

Joan of Arc Literary Society, '23, '24; Recitation Medal, '25; Dramatic Club, '26.

ANNIE LAURA CANNON

Happy-go-lucky girl! Here's to you! One glance at her blue eyes tells the tale. Always out for fun. Always ready for a laugh. A dandy good sport with her attractiveness and sunny nature. One of her outstanding characteristics is lack of deceit. She's just what she is and isn't afraid to "say her say" though the whole world be against her. She says she doesn't particularly know what she wants to do, but we feel sure she will meet with success if the "Reds" will leave her alone.

Joan of Arc Literary Society, '23, '24, '25;
Dramatic Club, '26.

FLETCHER ARNOLD LUKIN

Fletcher joined us in our junior year, and although he has been with us only two years, he has proved himself a good student and classmate. Fletcher is a quiet boy and does not bother anyone. He has a smile on his face at all times, and is a pleasant fellow. In his lessons he is among the leaders of the class, and always comes prepared.

Pershing Literary Society, '25; Astronomical Club, '26.

RUBY COOPER

Ruby is a studious girl (for fear she will flunk). Ruby is always with Ethel Early, it doesn't matter where or when. She is a good all-round girl for she is always the same Ruby.

Museum Club, '26; Joan of Arc Literary Society, '23, '24, '25.

ETHEL EARLY

Ethel can be depended on for anything we try to put across for she is willing to work and do her part in the activities of the Senior Class. We hate to see you leave, Ethel, for your place can never be taken. We hope you make as good a record in the outside world as you have here.

Joan of Arc Literary Society, '23, '24, '25; Museum Club.

ETHEL CORA FORTUNE

Ethel is one of the most studious in the Senior Class, and we couldn't possibly do without her, especially on Geometry. She is altogether very lovable and jolly, and is always ready to join in anything the class suggests. No one could ever see her without liking her the very first instant. Ethel is very thoughtful of others, and will always help "out" any one she can.

Dramatic Club, '26; Basketball Team, '26.

EDWARD TATE FRISBIE

When Ed leaves Marion High the football team will lose one of their best men. Ed will make good in the world, we know, for he is the sort of fellow who will make good in whatever he does. Our best wishes go with you, Ed!

Pershing Literary Society, '23, '24, '25; "M" Club, '26; Astronomical Club, '26; Football '23, '24, '25.

JIMMIE FRANCES GIBSON

To say that Jimmie is cheerful would be putting it mildly. She can cut classes and never get caught up with. When she undertakes things she always succeeds, and in a short time at that. Jimmie possesses an abundant supply of wit and humor and she has found no difficulty in making friends. As to what she intends to do in the future, we do not know but whatever it is, we are sure it will be worth while, and that she will meet with success.

Joan of Arc Literary Society, '23, '24, '25; Dramatic Club, '26.

ELVA VIRGINIA FRISBIE

Full of pep and energy, that's Elva. Whether it is playing basketball, writing a short story or skating. She has good ideals and high ambitions. She was a member of the Joan of Arc Literary Society for three years. She played on the varsity basketball team as guard for two years. We wish you all kinds of success, Elva, and your cheery laugh will be missed by those comrades who have been with you these four years.

*Elva had a little book,
This is the name, if you closely look,
"Basketball Rules for Women."*

"M" Club, '26; Glee Club, '26; Basketball, '24, '25.

ANNIE HENNESSEE

*Not too serious, not too gay,
But a good girlie day by day.*

Everyone likes Annie. With her kind and generous disposition she has won many friends to whom she is capable of being a genuine friend in return. She is always ready to lend a helping hand to those about her. Her gentle, sincere manner will be sure to bring her many successes—especially with Henry!

NINA GREENLEE

*Always laughing, merry and gay,
This is our Nina from day to day;
She never studies, she never worries,
She's a good sport that never hurries.*

Marshal Literary Society, '24; Literary Society, '23, '24, '25; Dramatic Club, '26; Snapshot and Joke Editor Annual, '26.

MARY NELSON BETTIS

Mary Nelson, known by an inner circle of friends as "Pat," is just another of that class of paragons which make up the majority of the Class of 1926. She is popular, jovial, she takes life as it comes yet leaves an impression of dependability and capability. We must not forget to say, she can keep a mean between two extremes.

Joan of Arc Literary Society, '23, '24, '25; Astronomical Club, '26.

BENSON WILLIS DAVIS

A sport he is in everything, football, basketball, track.

A boy who's won an envious rep., is a son of the Orange and Black.

President of Junior Class, '25; President of Senior Class, '26; President of "M" Club, '26; Chief Commencement Marshal, '25; Football, '25, '26; Baseball, '24, '25; Vice-President of Literary Society, '25; Athletic Editor of Annual, '26; Literary Editor of Spotlight, '25.

MARGIA STEWART SIMERSON

Margia is one of the most popular girls in high school. She is very attractive, and has a pleasing personality. Margia takes part in all girls' athletics and is especially good at playing basketball.

Basketball, '23, '24, '25, '26; Captain Basketball Team, '25; Manager of Basketball Team, '26; Vice-President of Junior Class, '25; Assistant Treasurer of Athletic Association, '25; Treasurer of Athletic Association, '26; Secretary and Treasurer of Astronomical Club, '26; Track Team, '24; Secretary of Joan of Arc Literary Society, '25; "M" Club, '26; Commencement Marshal, '25; HIGHLANDER Staff, '26; Class Basketball Team Captain, '26.

GUYON EUGENE WHITTEN

Guyon has been a good student and has filled his place in the Class of '26 as no one could have filled for him. Although he is about as fat as a match he is large enough to make himself known.

Pershing Literary Society, '23, '24, '25; Marshal Literary Society, '25; Circulation Manager Spotlight, '25; Treasurer Senior Class, '26; Football Manager, '25; Vice-President Astronomical Club, '26; "M" Club, '26; Editor-in-chief THE HIGHLANDER, '26.

HELEN VIRGINIA GOLDSMITH

*Helen is a true friend and loved by all.
She always wears a smile.
We think that always goes a long way.
And of course it does.
We do not know how much midnight oil she
has burned,
But it's a fact, we have no proofs that she has,
But just the same we love her truly,
When she leaves old Marion High
Her gay laugh cannot be forgotten.*

Joan of Arc Literary Society, '23, '24, '25; Astro-
nomical Club, '26; Treasurer of Joan of Arc Literary
Society, '24; Secretary of Class, '25.

PAUL ALEXANDER STEPPE

Paul is our greatest athlete. He is a four-
letter man. He has a fine tenor voice and
adds much to the Glee Club. He is in fact a
star in all sports, and a very popular fellow.
He takes part in all school activities and is
always ready to do his part in anything that
is for the class or the school.

Marshal Pershing Literary Society, '24; Vice-Presi-
dent of "M" Club, '26; Annual Staff, '26; Football

'23, '24, '25, '26; Treasurer Pershing Literary So-
ciety, '25; Glee Club, '26.

MARGARET PESCU D CRAIG

*She may be serious, she may be gay,
But she's a rare good sport in a rare good way.*

"Martie" is one of the sweetest and most
popular girls in Marion High. Not only is
she a favorite of the Senior class, but of the
whole school. We hope you'll always be as
happy as you've made us!

Marshal Joan of Arc Literary Society, '23; Sopho-
more Spotlight Editor; Dramatic Club, '26; Assistant

urer Junior Class, '25; Basketball, '25, '26; Baseball
Squad, '24, '25; Football, '24, '25; "M" Club, '26.

DOROTHY BELFIELD RAGLAND

*A smile for all, a greeting glad,
A light fantastic toe she had.*

"Thula" joined us in our Sophomore year, hailing from the northern part of the State, and since that time has endeared herself to us, and become a very important character in high school life. She is lovable and kind, with such a cheery smile that no one could help loving her.

Joan of Arc Literary Society; Commencement Marshal, '25; Glee Club, '26; Dramatic Club, '26.

ROBERT HOYLE CHAPMAN

Robert is one of the most affable and pleasant boys in school. Wherever you meet him you will get a broad smile and a cheery greeting that is calculated to rescue even the most discouraged from the "slough of dependency" and set them back on the sunlit road to success.

"M" Club, '26; Pershing Literary Society, '23, '24, '25; Astronomical Club, '26; Football, '26.

VIRGINIA RUTH RAGLAND

Although we admit that it does usually take her a long time to get here, we fully appreciate her when she finally arrives. The frequent "Come here, I have something to tell you," that we always hear the minute her head appears in the door, is sufficient evidence of her arrival.

Joan of Arc Literary Society, '24, '25; Treasurer Dramatic Club, '26; Glee Club, '26.

ROBERT LEE McCALL

Robert is better known as "Rob." He has always been a good student, and proved himself worthy of everything he undertook, especially in editorial writings and debates. He is one of our nicest and best liked boys.

Baseball, '23, '24, '25; Captain Baseball Team, '25; Basketball, '24, '25, '26; Captain Basketball Team, '26; President Athletic Association, '26; Vice-President Senior Class, '26; Secretary Pershing Literary Society, '25; Spotlight Staff, '25; HIGHLANDER Staff, '26; Astronomical Club, '26; "M" Club, '26; Commencement Marshal, '24.

LOUISE SAUNDERS

*If you're ever in trouble,
If you're ever in doubt,
Just take your cares to Louise
For she can help you out.*

Here is a girl who is a happy combination of seriousness and fun. She knows well how to have a good time and study in between times. We find her a good pal always.

Track Team, '23; Literary Society, '23, '24, '25; Home Economics Club, '26; Basketball, '26.

CARRIE MILLER

To know her is to love her.

Carrie is one of the nicest and quietest girls of the Senior class. She has only been with us for three years and during that time has made a place that could be filled by no one else. She is quiet but after you know her, she is an exceptionally interesting conversationalist as well as charming in manner. We feel sure that she will have success in anything she attempts in future life.

Joan of Arc Literary Society, '24, '26; Secretary Home Economics Club, '26.

BERTHA LEE NICHOLS

*This is our Bertha from day to day,
Always laughing, merry and gay,
Who never studies, who never worries,
She's a favorite of her class!*

Dramatic Club, '26; Joan of Arc Literary Society, '24, '25.

JACQUELIN PANSY SPENCER

*Hurrah, hurrah for "Pans."
See the ball! Across the court it spans,
Look! Through the goal it goes.
Who did it? A sport from head to toes.
Yes, that is why we yell and clap our hands,
Hurrah, hurrah for "Pans"!*

Joan of Arc Literary Society, '23, '24, '25; Secretary Dramatic Club, '26; Basketball Team, '23, '24, '25, '26; Captain Basketball Team, '26; Track Team, '23; "M" Club, '26.

MARY ALICE LAUGHRIDGE

*No sinner, nor saint, perhaps,
But, well—the very best of Chaps.*

Well, we can't say Mary Alice is a sinner, but we'll admit she's no saint. She's quiet and lovable and will do her duty when called upon. In athletics she rates first class. She has played basketball since her Sophomore year in high school. She belonged to the Joan of Arc Literary Society for three years, and joined the Dramatic Club in her Senior year. In her Sophomore year she was one of the best girls on the girls' track team.

DOROTHY LEE TANNER

"Ye shall know her by her smile."

Dorothy isn't a "chatter box," but when she speaks it is worth your while to listen. "Dot" is always willing to help others. She never says "I can't," but with one of her winning smiles (which she always wears) she does her best. As a member of the Home Economics Club she has shown her willingness to do her part.

Joan of Arc Literary Society, '22, '23, '24;
Home Economics Club, '26.

FLORENCE CARSON YANCEY

"Never busy but always accomplishing something."

We find in Florence a combination of love and friendship. She is a hard worker—but quite often those blue eyes reveal mischief, which is numbered as one of her characteristics. She slips herself into people's hearts and proves to be a perfect pal.

Joan of Arc Literary Society, '23, '24, '25;
President Dramatic Club, '26.

FLORENCE JEANETTE CORPENING

There aren't words to express the characteristics of this demure little girl. She is a true friend and the kind of a girl whom everyone admires. She is very studious, in fact, when you find someone reading it is sure to be Florence. She is exceedingly quiet, but makes a lasting impression upon those with whom she comes in contact. Her future path is very bright and success is surely before her.

Joan of Arc Literary Society, '23, '24, '25;
President Home Economics Club, '26.

CARA McNEELY

Cara joined us in her Sophomore year. She is a girl that is seldom ever heard from. She never worries the teacher by causing a disturbance. She studies hard and when she is called upon she knows the answer to the teacher's question. She does not argue but stands up for her rights, so therefore everyone likes her.

Joan of Arc Literary Society, '24, '25; Dramatic Club, '26.

LILLIE MAE PYATT

Lillie—our Lillie! Who has helped us more than Lillie? I dare say no one. We went to her to read our French—and she read it; to work our geometry—and she worked it. In fact there is nothing we have not asked her to do—and she never did refuse. The Seniors will miss her and the whole student body as well.

Joan of Arc Literary Society, '25; Secretary and Treasurer French Club, '26.

GLADYS ALBERTA PYATT

Gladys is a regular ray of sunshine, the kind that makes you feel better when you meet her. She joined us in our Senior year, but we have found that she is aglow with enthusiasm—the kind that kindles the flame in others. Shine on, Gladys! Brighten up your corner of the big wide world as you have done in Marion High.

President French Club, '26.

REUBEN POTEAT

Here's to you, Reuben! Your coming to M. H. S. has made a place in its history for you. Your place on the football team could not have been filled by any other. Our memories and best wishes go with you, Reuben, in whatever you may do we know it will be a success.

Football Team, '22, '23, '25; Track Team, '23; "M" Club, '26; Astronomical Club, '26; Pershing Literary Society, '22, '23; Treasurer Pershing Literary Society, '23.

EDWIN P. FINLEY

*A strong and husky lad is he;
But he's never studied as he should!
He is just as smart as smart can be,
And could easily win fame—if he would!*

Edwin is the kind of boy that everybody says "Hello" to. He's jolly and full of fun and forever attempting to say something funny or make someone laugh.

President Museum Club, '26; Secretary Pershing Literary Society, No. 2; Football Squad, '23; Pershing Literary Society, '23, '24, '25.

CELIA ELLA NANNEY

*Never in the history of Marion High
Has there ever been a maid so shy,
And at heart she's good as gold,
Our memory of her will never mould.
We wish you success all through life—
We wish you happiness without strife,
And as through life your way you wend,
May joy, peace, and happiness crown the end.*

Home Economics Club, '26; Joan of Arc Literary Society, '23, '24, '25.

WILMA SNODDY

*She is not very large at best,
In fact, a wee bit wee.
But
You'll never find a truer lass,
On hill or shore or sea.
And
She'll be a te-to-tal success
In all fu-tur-i-tee.*

Joan of Arc Literary Society, '23, '24, '25; Glee Club, '26; Dramatic Club, '26.

LENA YOUNG PENNINGER

*Oh! Lena, Lena, see what you have done,
Now you're a Penninger, not a Young.
Although you have changed your name,
We know you will always be Lena just the same.
We admit that it was a surprise to us,
But we congratulate you, for we must.
And we know all through your life
You'll make Mr. Penninger an ideal wife.*

Joan of Arc Literary Society, '23, '24, '25; Dramatic Club, '26.

MAY ELIZABETH McKOY

May is a quiet girl. She goes about her business in a quiet way, and lets the world take care of itself. She hailed from Greelee—if there is such a place—and brought with her a friendly disposition.

Joan of Arc Literary Society, '23, '24, '25; Glee Club, '26.

VIRGINIA EMMARIE QUINN

*A smile for all, a greeting glad,
A lovable, jolly way she had.*

Virginia, or "Quinn," as we know her, is a girl whom everyone can depend on for anything that is to be done. We know that some day she will be a play director from the way she directed one of our plays in our Junior year. She is quiet and studious, yet far from being dignified. Like her? Well, we just couldn't do without her. Her chief pastime is horseback riding.

Basketball, '26; Dramatic Club, '26; Museum Club, '26.

JENNIE ANNA WALL

*Happy am I, from care I'm free,
Why aren't you all content like me?*

Jennie is the jolliest, best-natured kind of a girl. She is always bright and happy, always willing to do something for somebody else. For all these reasons, everyone who knows her, loves her, and we predict for her a great future.

Joan of Arc Literary Society, '22, '23, '24; Home Economics Club, '26.

JONATHAN GREENLEE WILLIAMS

"Laugh and the world laughs with you."

Greenlee's always ready to laugh, no matter how serious the occasion. One might think him dignified by only seeing him in the classroom, but that is just the face he wears while obtaining knowledge. Here's wishing him the greatest success.

Pershing Literary Society, '24, '25; Astronomical Club, '25.

HISTORY

ELEVEN years ago last September, a band of tiny tots gathered at the old school building to commence their school careers. Little did they think that the many happy days and the few sad ones would pass so quickly—but time flies, you know, and we have now reached a never to be forgotten milestone in our lives. That day some children were crying, for they had never been away from home; others giggled and laughed, and it was indeed a memorable time.

If it had not been for the kind, soothing words of Miss Maggie Hudgins, the First Grade teacher, and the motherly pats, I'm afraid many would have lost heart and fled to their mothers. Such is life, my classmates of today, everything is necessary to make up a routine—both sorrow and gladness.

Of that little band who started then, we have only five members in the Class of 1926: Guyon Whitten, Carlton Gilkey, Margaret Craig, Mary Alice Laughridge, and Jimmie Gibson. That seems comparatively few, but many of that old class have dropped out, moved away—or decided that they would rather join the lower ranks and files. Each one that left, was replaced by two or more, and we now have the striving class of forty-five members.

With the untiring help of Miss Hudgins and Miss Margaret Winslow, who took such a liking for us that she remained with us during the second and third years, we managed to advance through the primary grades with flying colors, all because of the supervision of these charming ladies.

Then we became full-fledged Grammar Grade Students under the supervision of Miss Ellen Crawford, the Fourth Grade teacher. Here we had our first experiences in Geography and indeed they were experiences, for no one could tell exactly whether rainfall was heavier in the mountains or on the sea coast. Occasionally we had to remain after school, much to our regret, but nevertheless, our knowledge was strengthened in more than Geography.

The next year saw many additions to our trudging infantry; some coming from Tennessee, Virginia, and South Carolina. We felt very distinguished to

have classmates from so many states, and truly, it was a dignified group. Baseball was an everlasting fad among both boys and girls, and many thrilling combats issued. We battled bravely on through fractions and decimals under the guidance of Miss Cox, Miss Baity, and Miss Elliotte, feeling that vacation would never come.

Then came the exciting night in May, 1922 when we received our Grammar Grade diplomas, which entitled us to admittance to the cherished dream of High School.

At the beginning of the fall term of the following year, a very confused Freshman class entered High School. They were not acquainted with changing classes and teachers—but experience is a dear teacher. We soon learned to adapt ourselves to these new methods and became very commendable students—if I do say so.

Athletics were being stressed now in High School, and "Sock" Ervin put forth teams worthy to rival the utmost in western North Carolina. The Literary Societies proved to be an interesting feature in High School, and many enjoyable hours were spent therein. In the Ninth Grade, we had become a real part of the High School, and lent a helping hand to the incoming Freshmen. The work was not hard and indeed, that was one of the most pleasant years in the entire school. This year the *Spotlight*, a semi-monthly paper, was organized and our high school spirit increased.

When we became Juniors our importance rivalled that of the Seniors, even if we were rather demure. We entertained the Seniors with a royal banquet and many were the friends we made.

Then came the last lap—Seniors! Just the name gave us all a thrill. One member was lacking, Mary Willie McCall, who decided matrimony was better than a career. Also Lena Young became Mrs. Penninger, but pursued her last year's work as the lure of the diploma was too much. The class rings added another thrill. THE HIGHLANDER, the annual, was another prosperous step, sponsored by the class and is indeed one to be proud of. Various clubs were organized, such as the "M," Glee, and Dramatic. A new athletic field was secured, adjoining the High School grounds. Mr. Freeman was secured to direct the High School band and many changes took place.

In summing up athletics; Marion High has made an enviable record, both boys and girls, and this, the Class of '26, helped to do.

As we reach this last step, we look back with not a little regret at the good old days spent, and I think we realize the value of them and appreciate the helping hand which the faculty lent us. We, the Class of '26, bid farewell to our school mates, and speed on life's journey with ever the thoughts of "Success" and dear old Marion High.

THE SOPHOMORE CLASS

A SCHOOL LESSON

There, little Fresh—don't cry.

Your lessons are hard, I know ;

The teachers are stern,

But you must learn :

We all have found it so,

And Freshman troubles will soon pass by—

There, little Fresh—don't cry.

There, little Soph—don't boast.

You have frolicked through work, I know ;

But the glad wild ways

Of your Sophomore days

Soon like a flash will go :

Then no more pranks and no more "roasts"

There, little Soph—don't boast.

There, little Junior—don't sigh.

You've increased in knowledge, 'tis true ;

And the rainbow gleams

Of your Junior dreams

Will come in a year or two,

For work and toil will soon go by—

There, little Junior—don't sigh.

There, little Senior—beware.

You've attained your goal, at last ;

But beyond there lies

The big world so wise

Through which you have to pass,

There may be joy and there may be care

So, little Senior—beware.

FOOTBALL

REVIEW OF FOOTBALL SEASON

THE 1925 football season began at Marion High School with the opening of school, Monday, September 14. Uniforms were issued and hard training started at once, for a game was scheduled with Waynesville on September 25 and only a little more than a week to prepare for it.

We journeyed to Waynesville on September 25 after eight days of actual practice to meet a team which had practiced for over a month and which had already played one game.

In the last three minutes of play, a field goal and touchdown gave Waynesville a 9-0 victory.

One week later, a trip to Hickory resulted in an 18-6 verdict for Hickory, due to the sleepiness of Marion's halfbacks and ends.

Then came the first victory of the season—Marion 26, Black Mountain 6. A general improvement in the work of the team was very noticeable.

Then in another heart-breaking contest, the Farm School Aggies from Asheville defeated us in the last five minutes of play, 14-2. Poteat, Marion tackle, made the safety for Marion, and incidentally the first point Marion scored on her new athletic field.

Determined to make up for its previous defeats, the Marion team went to Morganton with the fighting spirit which always characterizes the Marion team. Although the Morganton team outweighed us, although we had to contend with the timekeeper, the referee, the sidelines, and the town in general, we defeated them 7-0. Be it said to the credit of the Morganton team that it was not entirely responsible for the treatment we received; a coach is largely responsible for the way his team plays.

The next game was scheduled with the Cherokee Indians, who failed to show up and forfeited the game 1-0.

Then Brevard came from over the mountains to play football, but "Allie" Steppe turned the game into a track meet by scoring seven touchdowns. Steppe has been captain and quarterback for the last two years. He is truly the best all-round athlete ever produced at Marion High.

As the team was in first-class condition, the boys had hopes of defeating Forest City. Their hopes were realized a few days later when the Forest City team, fighting stubbornly, went down to defeat 18-0. Perhaps the greatest offensive ever shown by Marion was displayed in that one game. Beginning with the ball on the thirty-yard line, the Marion team carried it seventy yards to touchdown on straight line bucks, though the team would hardly average 150 pounds. Captain Steppe was again the star, making two of the three touchdowns.

All of the scheduled games had been played and the team wanted more. An all-star team was picked from the town and was defeated 26 to 0, in the final game of the season.

BOYS' BASKETBALL

THE first game of the season was played with Candler on the home court. Candler always has a good team and this was no exception. Displaying a flashy offensive, and a defense that was almost impenetrable, they defeated Marion 38 to 8. The game was not as one-sided as the score indicates. Candler scored 25 points in the first quarter, but was held to 13 for the last three. Had it not been for that fatal first quarter there would have been a different ending to the game.

On January 19, Forest City visited us and gave us the first victory of the season, 16 to 9. The game was well played and featured by close guarding of both teams.

On Friday, January 22, we journeyed down to play the Hickory High School. We were anxious to win, especially since they defeated us in football. Our fullest expectations were realized when our boys finding themselves on a good regulation court, cut loose and piled up 51 points to 16 for Hickory. Captain McCall tossed goals from every angle and amassed a total of 26 points. The entire Marion second team was sent in during the last few minutes of play.

The third victory of the season came January 25 when we defeated Waynesville High School 27 to 13. Captain McCall was high scorer with eleven points to his credit. Steppe was second with eight, and Wilson third with five. Coach Lee again put in his second team and each team scored one point while they played.

Came January 28 and a game with Swannanoa. Coach Lee's quintet registered their fourth consecutive victory of the season, defeating Swannanoa 22 to 11. The game was fast and well played throughout. Steppe and Wilson were stars of the game. The floor work of McCall and the close guarding of Little and Gilkey were noteworthy features.

On February 3, the Taylorsville quintet visited Marion and the Marion quint displaying good form, registered the fifth straight victory of the season, piling up 34 points to 18 for Taylorsville. Manager Little, formerly of Taylorsville, starred in the contest. Mauney, playing at guard instead of Gilkey, showed up well.

The next trip was to Forest City on February 5. Having defeated them once, we were overconfident. With the score 17-15 in favor of Forest City and

only a few seconds to play, Wilson, our star center, dribbled down the court and looped a perfect goal from near mid-court, just as the timekeeper's whistle blew. Forest City refused to let the goal count. It should have counted according to basketball rules, and an extra period would have been necessary to decide the winner.

After winning five in a row and tying the sixth, the Marion quintet journeyed to Swannanoa for a return engagement on February 9. The whole team was off form. They couldn't get the ball for any length of time and couldn't hold it when they did get it. The result was 27 to 7 with Swannanoa on the long end of the score.

Came February 10 and another victory, this time over Old Fort. The game was fast and hard fought from beginning to end. Gilkey and Little showed some of the best guarding ever seen on the local court. Score, Marion 14, Old Fort 12.

Suffering from overwork and the loss of Captain McCall, who was unable to make the trip, the Marion team went down before Taylorsville on their home court 29 to 15. The game was marked by good sportsmanship and clean playing manifested by both teams.

On Friday, February 12, the Black Mountain team ventured down to Marion for a game. With Captain McCall back in the line-up and the whole team working smoothly, Black Mountain was smothered by a score of 47 to 16. Wilson was high scorer of the game with 17 points to his credit. Captain McCall followed closely with 16 and Steppe was third with 12.

On Tuesday night, February 16, the Alexandria quintet visited the Marion cage warriors, on the home court. The home team displayed a crashing offensive and a superb defense, defeating the visitors by a score of 41 to 26. Captain McCall was high scorer with 18 points, all of which he scored during the first half. A substitute forward was sent in for him during the last half as we wanted him to be in good condition for the game with Candler, the following night. The work of the whole team was commendable. The Marion second team played during the last quarter.

On Wednesday, at noon, February 17 the Marion High School basketball team left on a four-day trip to Candler, Waynesville and Cherokee Indian school.

The game with Candler was fast and well played throughout. The first quarter was almost over before either team scored. Then Candler scored 4 points in succession. The quarter ended Candler 4, Marion 0. The half ended Candler 16, Marion 12. The third quarter ended Marion 15, Candler 22. Candler scored 8 points in the last quarter while Marion was unable to register a point.

The second game of the trip was played at Waynesville, Thursday, February 18. The Marion boys played well, but lacked their usual form on account of having played such a hard game the night before at Candler. The score see-sawed back and forth with first Marion and then Waynesville in the lead. The Waynesville team rallied in the last quarter and defeated Marion 30 to 38. Steppe starred for Marion.

Leaving Waynesville at about ten o'clock, the team started to play the Cherokee Indians. The roads near Balsam Gap were almost impassable. One of the cars "stuck" in the mud at about one o'clock and it was five o'clock before it was moved. After such a trip, the team was in anything but good condition and it is not to be wondered at that the Cherokee Indians won 49 to 13. Chief Horn-

buckle cut loose on the warpath and hung up 28 points of his team's 49. Steppe starred for Marion.

Returning home Saturday, the team rested up and continued practice until Tuesday. The team left Wednesday morning at 8 o'clock to enter the Basketball tournament at Mars Hill College. Seven players and Coach Lee made the trip.

The team went on the floor at 6:45 to play the Edneysville team. The game began at seven o'clock and it was clear that Marion would win from the very beginning.

When the smoke cleared, the Marion team was on the long end of the 37 to 9 score.

The second game was with Stanley-McCormick Institute at eleven o'clock Thursday morning. This resulted in another walk away for Marion, 34 to 14.

Then came the third game to be played at eleven o'clock Friday morning. This game was close and hard-fought but Marion was determined to win and carried out their determination by trouncing Old Fort 31 to 27.

The fourth game resulted in the fourth straight victory of the tournament for Marion. Marion's friendly enemy, Forest City, was played at 4:30 Friday evening. By winning this game 18 to 12, the Marion team entered the final game to be played with Sylva High at three o'clock Saturday afternoon.

The game began with a rush. Sylva drew first blood by Fincannon's foul goal. Marion scored when Wilson dropped one through from near the foul line. The quarter ended 2 to 1 in favor of Marion.

The second quarter was Marion's Waterloo. Fincannon scored one right under the goal. A few seconds later, Fincannon electrified the crowd by looping a perfect goal from mid-court near the side line.

Two more field goals were added during this quarter, while Marion failed to score. The half ended Sylva 9 Marion 2.

Sylva was clearly outplayed in the first quarter and the last half. The game ended Sylva 16, Marion 10. Sylva received a basketball and a silver trophy as first prize winner of the tournament. Marion received a Spalding \$15 basketball as second prize.

The Marion High School hereby expresses its gratitude to Mars Hill College for the treatment accorded the Marion team during its stay there. Every good wish for prosperity and continued success is extended to this splendid institution in the heart of the Blue Ridge Mountains.

GIRLS' BASKETBALL

THE Marion High School Girls' Basketball Team opened the season at home with the Forest City girls. They defeated the Marion girls 27 to 9. In view of the fact that it was the first game of the season, that the Marion girls were unused to the new court, and that the Forest City team had considerable more experience, the defeat is easily accounted for. Margaret Craig was the star for Marion scoring all seven points.

The girls' next game was played at Hickory High School, January 22, where they were defeated by the Hickory girls, 17 to 7. The Marion girls were somewhat lost on the large court after having played on such a small one at home. The Marion girls could have won the game easily at home.

The Swannanoa girls came down to Marion to play on January 28. In a hotly contested game, and probably the best girls' game ever played on the local court, the Marion sextet won, 15 to 14. Margaret Craig and Doris Hill were the stars for Marion, and the work of the team as a whole showed considerable improvement.

The next contest was scheduled with Forest City at Forest City on February 5. The girls were handicapped by the loss of Martha Justice at forward and Forest City won easily, 42 to 10.

A return game was played with Swannanoa on February 9. The Marion girls, though they played well every minute of the game, were somewhat out-classed by the accurate shooting and swift pass work of the Swannanoa girls and Swannanoa won 26 to 12.

A game was arranged with the Glenwood High School girls on February 10. This was another close, hard-fought game, but the Marion sextet came through with flying colors and won out, 22 to 21. The whole team starred.

The Black Mountain sextet accompanied the boys to Marion on Friday, February 12. The Marion girls fought hard, but the Black Mountain girls were determined to win, which they did, 27 to 18. The work of the whole team was very creditable, the guarding of Margia Simerson and Ida Rader being especially noteworthy.

The last game of the season was played with the Glenwood sextet on the Marion court. The Marion girls worked together, the result being an easy victory for them by the score of 33 to 17.

BASKETBALL SQUAD

THE Baseball Season began at Marion High School on March 15, and a schedule of eight games was arranged. Several letter men were back from last year and a large number of new candidates were out for the team.

The first game was played with Union Mills on their home diamond. Guy Norton, star pitcher for three years, let Union Mills down with five little singles while his teammates hammered out an 8 to 5 victory.

The second game was played with Forest City High School at Forest City. The Forest City boys were able to gather only six hits off Norton's delivery, while Moore was touched for nine, including a home run, a triple and three doubles. Coming into the ninth inning three runs behind, the Marion team began to rally. After tying the score by two singles and an error, the Marion boys were determined to win. Steppe laced a beautiful double against the right field wall. He went to third on Norton's infield hit. It was Atwell's turn at bat. Two out, two strikes, three balls, the score tied, a man on third and Jumping Joe Dugan's understudy at bat! The next ball was down the alley. Jumping Joe hammered it to center scoring Steppe with the winning run. Good old Guy Norton cut loose with his flaming fast ball and struck out the three Forest City batters in their half of the inning and Marion won, 8 to 7.

Next was a game with East Marion Textile Team on their home ground. They never had a chance. They were unable to find Norton's puzzling delivery and were shut out, 9 to 0.

On April 15, a return game was scheduled with Union Mills at Marion. Although they found Norton for ten hits, he would have won the game if he had received proper support, for the Marion team collected a total of fifteen hits.

The Marion infield went to pieces and made a total of ten errors. Score, Union Mills 11, Marion 5.

The Marion team went to Morganton to play the High School there on April 21. Norton was the outstanding player of the day. Besides holding the Morganton team to three pitiful singles, two of which were the scratchiest of the scratchy, he hit a home run, a double and two singles out of five times at bat. The Marion team collected a total of eighteen hits. Marion 11, Morganton 1.

Came May 1 and a game with Lenoir High School at Lenoir. There the Marion team encountered a stumbling block in the form of a certain fellow named Moore, pitching for Lenoir. His dazzling fast ball was invisible to the Marion batters. Only two hits were garnered off him, a single by McCall and a double by Cannon. Norton was unable to pitch for Marion and fifteen hits were made off Watkins, who pitched in his place. Score, Lenoir High School 13, Marion High School 0.

A return game was scheduled with Lenoir High School to be played at Marion on May 5. It was a pitcher's battle between Guy Norton and Moore Rabb. Norton had the edge on Rabb, but Rabb received better support. Four singles were all Lenoir could gather off Norton. Three singles and Norton's double were all of Marion's hits. Score, Lenoir High School 2, Marion High School 1.

The Forest City nine came to Marion on May 8 for a return game. Marion was leading until the ninth inning. Forest City was at bat. Two men on, two out. The batter hit a grounder to McCall at first, which bounded over his head. Both runners scored. Marion was unable to score in her half of the inning, and Forest City won, 9 to 7.

JOKES

We could print a lot of funny stories, but what's the use—you would only laugh at them.

The world is old, yet likes to laugh;
New jokes are hard to find,
And an entire editorial staff
Can't tickle any mind.

MR. STROUDEMAYER—"Colin, can you give me a familiar example of the way the human body adapts itself to new conditions?"

COLIN—"Yes, sir; I gained twenty pounds last week and my skin never cracked."

BOY—"Ye want to go horseback riding?"

GIRL—"No, horses don't like me."

BOY—"Well, I do."

GIRL—"Yes, but donkeys are different."

"How many cuss words are there in the English language?" asked Ed Frisbie.

"Don't know," replied Reuben. "Why don't you ask Ed Biddix?"

"Why?"

"He ought to know; he drives a school bus."

CATE—"How far are you in Home Economics?"

DUPLICATE—"In the last stages of 'Consumption.'"

"Isn't he from Penn State?"

"No, state 'pen.'"

TITTER—"Don't you think this is great stuff? I've got enough to last me as long as I live."

TAT—"Where do you keep the other quart?"

"It won't be long now," said the cat as his tail caught in the lawn mower.

A WOMAN'S WAY

If at first you don't succeed, cry. cry again.

A MAN'S WAY

If at first you're not believed, lie, lie again.

DENTIST—"Awfully sorry, miss; but I just tore off a piece of your gum."

PATIENT—"That's all right. Just stick it under the chair and I'll get it as I go out."

MAX—"Do you think I should have my shoes soled?"

CLIMAX—"Naw, give 'em away."

BIM—"Whatever became of that nervous wreck that used to be here?"

BO—"Oh, he's making a great success since he took up telegraphy."

HIM—"Do you know the Tango Song?"

SHIM—"The Tango?"

HIM—"Yeah. Tango Rain No More."

THE HEIGHT OF HARD LUCK

To get a haircut just before an Indian massacre.

THE HEIGHT OF STINGINESS

When a man holds a nickel till the Indian straddles the buffalo.

FOOTBALL FAN—"Don't you think the backfield is beautiful?"

IGNORANCE—"Yes, I think the entire grounds are very beautiful."

WAITRESS—"How did you find the beef, sir?"

CUSTOMER—"Just moved the potato to one side, and there it was."

KIND OLD GENTLEMAN—"How long have you been deaf and dumb?"

D. & D. GENTLEMAN—"About five years, sir."

JUDGE—"The prisoner seems to have been drugged."

IRISH COP—"To be sure, yer Honor; I drug him five blocks to the court house."

Everything comes to him who orders hash.

PROFESSOR—"Now, it is the duty of the foreman——"

SLEEPY STUDENT—"Which four men?"

"Can you throw the quoit?"

"You don't throw quoits, you drink them."

Do right and fear no man; don't write and fear no woman.

You've all hear of the absent-minded professor who poured catsup on his shoestrings and tied knots in his macaroni, but how about the fellow who twisted the baby's ear and then walked the floor with the phonograph?"

A fellow crossed his carrier pigeons with parrots so that when they got lost they could ask their way home.

HOW TO REDUCE

Push away from the table three times a day.

"That's her second husband."
"I'd rather be her dead first husband."

"She's the salt of the earth," remarked Lot, pointing to his wife.

"Have you ever heard the Asthma Song?"
"Asthma Song?"
"Yeah. Yes, Sir. Asthma Baby Now."

"Poor John, he didn't graduate from Yale."
"Why?"
"Because he went to Harvard."

O'REILLY—"O'Connor, you're so drunk you'll miss the fight tonight."
O'CONNOR—"Oh, no; I'm going straight home."

HE—"What kind of shoes do you think I ought to wear with these golf hose?"

SHE—"Hip boots."

TO WHAT CLASSES DO THESE BELONG?

"All right, you all folks get quiet."
(Much sputtering) "Spth—! I never could pronounce that word. I'll spell it for you."

"Now class, I wouldn't do that."
"You'd best get this now."
"In fact, I have several girl friends there."
"Ex-pla-na-shun—81023-abxzcmnob——" (about 3:20).
"Well, I'll declare."
"Report to my room at three-twenty."

MARION, N. C.

“HONEST ABE LINCOLN”

Lincoln was what he was because of what he endured. He grew strong by bearing burdens; by doing his work and doing it well
Every man has some work to do, and he should do it to the best of his ability

The Plumber has his work, and if he is a Marion Tin and Plumbing Company Plumber, he's doing it. He is giving every customer a square deal, with quality material.

FAVORABLY KNOWN THROUGHOUT THE NATION

In the planning and production of this Annual it has been a pleasure to work with the Class of 1925-26. We believe that we have been of real service to you, and we appreciate the opportunity. We also believe that our mutual efforts to produce a worthy Annual have not been in vain.

As you go out into life we can but wish for your success and happiness. Your successors of 1926-27 will find us equally able and willing to share their problems as they take up your work. We hope to know them as well as we have known you. We welcome all inquiries and we are always ready to serve.
